## FEATURES

---

**Hygostat:** The humidity can be regulated via an adjustable hygostat.

---

**Defrost function:** The unit is equipped with an intelligent defrost system for use in lower temperatures.

---

**Heating function:** The unit is equipped with a heater which has two fan speeds (600 W and 950 W). Therefore the unit is ideal for use in cold, damp areas such as basements, attics, etc.

---

**Automatic switch off:** When the water container is full, a LED indicator will light up and the dehumidifier will automatically switch off.

---

**Fan speed:** A two-speed high-capacity radial fan for quiet and efficient operation.

---

**Electronic display:** The unit is equipped with an electronic display (LCD).

---

**Hydrometer:** The unit is equipped with a hydrometer which indicates the relative humidity.

---

**Timer:** The unit is equipped with a timer function which can switch off the unit after 1-12 hours.

---

**Air outlet:** The air outlet is on top of the unit which makes it easy for drying clothes. Ensure that no water will drip inside the unit.

---

**Permanent water drainage:** A tube can be fitted to the unit for continuous water discharge.

---

**3MTM-HAF-Filter:** The dehumidifier is equipped with a 3 layer filter package to clean the circulated room air. The 3M™ HAF air filter delivered together with this unit captures allergens like bacteria, dust and pollen from the circulated air with an efficiency up to 80%. Pollen are well known as an important stimulus for hay-fever allergy. The active carbon filter removes unpleasant odours from the air and the screen filter captures large dust particles. The screen filter can be cleaned with a vacuum cleaner and/or lukewarm water.

---

**Compressor:** The dehumidifier has a piston compressor.

---

**Removable water container:** The large 3.5 litre water container can easily be removed from the front.

---

**Convenience:** The unit is equipped with handles and castors (wheels).

---

**Design:** The dehumidifier is part of an exclusive range of Zibro products.

---

**Full colour box:** The unit is delivered in a stylish full colour box showing application and operation information in 10 languages.
